

Blueberry Patch promise by Byron Howes

May all who joins us come
in peace.

To benefit from and
contribute to our joy and
creativity.

We practice tolerance,
optimism, peace-
making, loving kindness and
hugs.

The Patch thrives by
promoting individual and
community expressions
through art, music and
poetry.

We do not see the color
of skin. We seek the sparkle
of eyes. We cherish
diversity, while consciously
create community. We
respect others and
recognize we are all on
spiritual paths. Our quest is
to continually create,
support and share: with
kindness, compassion and
joy.

be at peace here,
welcome home travelers.

Dallas Celebrated his 77th Birthday one Saturday recently. His Birthday had been postponed a number of times due to extenuating circumstances. We all gathered to celebrate this lucky number with music, conversation, great food and gales of laughter. There was shepherd's pie, "Dallas' beans" made by Duffey, pulled pork, chicken and dumplings, sweet and sour chicken, sweet potato casserole and a number of other wonderful dishes. It was topped off by a beautiful cake with a Blueberry filling. There was also a delicious cake dusted with coconut shavings and blue polka dots. A good time was had by all.

Dallas now visits the Patch every Saturday from 11:30am till 2:30pm. Please come volunteer and visit with Dallas. This is your opportunity to spend time with the founder of the Blueberry Patch. It is also your opportunity to help the Patch grow. There are always things that need to be done. Please see Hal or Brian and they will direct you to some task.

Looking forward to seeing you some Saturday. Peace, Love and Blueberries.
